## WANTED TECHNOLOGIES ANNOUNCES DEPARTURE OF STEVE McNAIR

Quebec City, Quebec, February 22, 2008 – WANTED Technologies Corporation (TSX-V: WAN), a leader in sales and competitive intelligence solutions for newspapers, magazines and online media corporations, announces today that Steve McNair, Vice President of Sales and Marketing, will be leaving the company at the end of March.

“My sincere thanks to Steve for helping WANTED establish a strong base of loyal clients. His passionate pursuit of sales over the past seven years is most appreciated. We wish him continuing success in his next endeavour,” states Scott Burton, President and CEO.

Mr. Burton will assume Mr. McNair’s responsibilities as acting head of the Sales and Marketing team. The company also possesses a strong management team with access to experienced industry advisors, including Bruce Murray, former CEO of Corzen and current WANTED board member. “We remain committed to our growth strategy and will continue to invest in Sales, Marketing and Client Delivery professionals based throughout North America,” says Mr. Burton. A search for a permanent replacement is currently underway.

### About WANTED Technologies Corporation

[WANTED Technologies](#) is a leading provider of real-time sales and business intelligence solutions for the staffing and recruitment, real estate, and media classified advertising and financial industries.
