## Election of WANTED Technologies' directors

**Quebec, QUEBEC, December 14th, 2007.** WANTED Technologies Corporation ("WANTED" or the "Company") (TSX-V: WAN), a leading supplier of real-time sales and business intelligence solutions for the recruitment and media classified advertising industries, announces today, following the vote of its shareholders held on December 13th, 2007, the election of the Board of directors of the Company.

The shareholders of WANTED approved to increase the number of directors from five to six. The shareholders also approved to re-elect Jan Oosterwaal, André Forest, Jean Énault and Guy Girard as members of the Board of directors as well as to elect Scott E. Burton and Bruce Murray as new Board members. David Tanguay leaves the Board of directors.

"The result of David's energy and passion have transformed WANTED into a public company well-equipped to pursue an aggressive growth strategy in an attractive market," says Jan Oosterwaal, chairman of the board for WANTED. "On behalf of the employees, Board members and shareholders, we would like to thank David for what he has done for the Company and the contribution he has made to its success".

### About WANTED Technologies

[WANTED Technologies](#) is a leading provider of real-time sales and business intelligence solutions for the staffing and recruitment, real estate, and media classified advertising industries. WANTED's proprietary technology and services deliver enriched market research and customer information, helping clients improve their advertising sales performance.

[WANTED Technologies](#) is also the exclusive data provider for The Conference Board's Help-Wanted Online Data Series™, a monthly economic indicator of job availability in the United States.
