

**WANTED TECHNOLOGIES CORPORATION
ANNOUNCES APPOINTMENT OF BRUCE MURRAY AS CEO**

Montreal, Quebec, March 31, 2008 – Wanted Technologies Corporation (TSX-V: WAN) announced today the appointment of Mr. Bruce Murray as Interim President and Chief Executive Officer.

Mr. Murray is formerly the founder and CEO of Corzen, Inc., a pioneer in market intelligence for the online media services industry, which Wanted Technologies acquired in July, 2007. Prior to founding Corzen, Mr. Murray was an executive with media firms and with Internet technology firms in the United States. He is a 1979 graduate of Yale University and has been serving since December, 2007 as a member of Wanted Technologies Board of Directors.

“Bruce’s background in business innovation, media and Internet technology makes him an ideal person to lead Wanted Technologies,” said Jan Oosterwaal, Chairman of the Board.

This appointment of Mr. Murray is effective immediately.

About WANTED Technologies Corporation

Wanted Technologies is a leading provider of real-time sales and business intelligence solutions for the staffing and recruitment, real estate, and media classified advertising and financial industries. Wanted’s proprietary technology and services deliver enriched market research and customer information, helping clients improve their advertising sales performance.
